MR. BASU DEV GOLYAN

Mr. Basu Dev Golyan is a distinguished industrialist, visionary humanitarian, and globally respected Rotary leader whose life journey reflects an unwavering commitment to service, leadership, and nation-building. Born into a values-driven family rooted in integrity, compassion, and entrepreneurship, he developed strong leadership qualities and a deep sense of social responsibility from an early age. These formative values shaped his lifelong dedication to ethical business practices, community upliftment, and humanitarian service.

As the Chairman of the Golyan Group of Industries, Mr. Golyan has played a pivotal role in expanding and strengthening one of Nepal's leading business conglomerates. Under his dynamic leadership, the group has diversified across banking, insurance, manufacturing, hydropower, renewable energy, hospitality, exports, and sustainable agriculture. His leadership philosophy emphasizes innovation, responsible governance, long-term sustainability, and inclusive economic growth. Through his strategic vision and entrepreneurial excellence, he has significantly contributed to Nepal's industrial development and employment generation while promoting sustainable and socially responsible initiatives.

Mr. Golyan's Rotary journey began in the late 1980s and has since evolved into decades of dedicated and impactful service. Rising through various leadership roles, he served as District Governor of RI District 3292 in 2011–2012, where he strengthened the district's global presence and expanded Rotary's reach to Bhutan. During his governorship, he successfully organized the first Rotary International Literacy Summit in Nepal, reinforcing his enduring commitment to literacy, education, and peace-building. His leadership during times of crisis has included large-scale disaster relief initiatives, distribution of shelters for flood and earthquake victims, and numerous humanitarian and health camps that have benefited thousands of underserved families.

At the international level, Mr. Golyan has served with distinction as Regional Rotary Foundation Coordinator (2020–2023), Trustee Special Advisor, and Rotary International President's Representative to several districts across the world. A passionate advocate of The Rotary Foundation, he has consistently strengthened grant culture, inspired philanthropic contributions, and promoted impactful

humanitarian projects globally. As a Rotary International Director Nominee, he represents experience, credibility, and a powerful strategic vision focused on membership growth, youth engagement, enhanced public image, literacy promotion, and sustainable global impact.

Recognized nationally and internationally for his contributions to business leadership, disaster relief, and humanitarian service, Mr. Basu Dev Golyan is widely respected for his humility, integrity, inclusive leadership style, and forward-looking vision. Supported by a service-oriented family, he continues to balance professional excellence with deep humanitarian dedication. He firmly believes that education, ethical leadership, and compassion are the pillars of lasting peace and meaningful global transformation.
